

## School Information Form

For school aged children, we keep this information on file in order to contact the school in case the child fails to arrive in the morning or afternoon when a parent does not notify us of their absence. This is to ensure your child's safety.

We respect your privacy and will not share this information with anyone except the center employees to whom the information is necessary and you, the parent(s) or guardian(s).

Child's Name	
Name of School	
Address of School
